Are you passionate lover and love to travelling lot if yes then we have best place for you which is none other Egypt, home to the worldâ€™s oldest civilization. Every year from across the world people visit this country in a great numbers with different holidaying purpose. World-renowned for great attractions including monuments and pyramids, Egypt is in the north-eastern Africa with its capital located in its largest city, Cairo. The country is encircled by the Mediterranean and Red Seas and geographically dominated both by the Nile River and its fertile well-watered valley, and by the Eastern and western deserts. There are so many reasons behind that why anyone should choose this country as their holidaying destination as it has so many things to offer to everyone.

With great beaches, exotic deserts, worldâ€™s largest river Nile, great shopping, exotic resorts, well-cultured people and excellent hotels facilities, it encourages tourists to visit there at least once in a lifetime span. The climatic condition of this country is varying according to seasons. Most of the part of this country is desert, an extension of the great Sahara that bands both North Africa. The summers are hot and dry in summers but it enjoys the moderate climatic conditions in winters.

Globally renowned for worldâ€™s oldest civilization around 3,100 BC, historically, Egypt is probably one of the oldest vacations spots. There are so many attractions and destinations in Egypt having their distinctive features and worth to explore once in a lifetime span. Among several attraction places of this country, the capital city of Egypt Cairo is one of the most famous attractions fascinates tourists from every nook and corner of the world with reason. If you are history lover and wish to know its glorious past then must visit to this place, the historic center in Egypt and one of the oldest Islamic cities in the world contains many famous mosques and fountains. This historic centre is locates on the eastern bank of the Nile, and has about 600 monuments from as early as 7th century.

There are so many attractions in and around the capital city Cairo such as Maidum Pyramid, Abu Sir Necropolis, Memphis Open Air Museum, Cairo Citadel and many more. There is no dearth of attractions in this place but Egypt Tours would not be completed unless you do not explore Giza Pyramids world-renowned for its magnificent architecture. Pyramids of Giza are extremely stunning and are probably what everyone thinks of when planning to travel in Egypt. Though there are so many pyramids all across Egypt, none is as popular as Giza. While touring to this capital city you can experience many other interesting things such as its exciting nightlife, excellent restaurants, and you can also visit Cairo Opera house.

Another major attraction that can be experienced during Egypt trip is river Nile cruise, one of the major touristâ€™s activities in this country. Nile river cruise takes tourists not only through awe-inspiring attractions but at the same time gives them opportunity to familiar with its culture.

Apart from there are many other attractions in this country which really need your attention and if you have decided to visit this place and looking for exclusive holiday packages then you can contact with Egypt tour operator.
