Search Engine Optimization (SEO)

Search engine optimization (SEO) is the process of improving the visibility of a website or a web page in search engines via the "natural" or un-paid ("organic" or "algorithmic") search results.

Pay-Per-Click(PPC) Advertising.

Pay Per Click (PPC) Pay per click (PPC) is an Internet advertising model used to direct traffic to websites, where advertisers pay the hosting service when the ad is clicked. With search engines, advertisers typically bid on keyword phrases relevant to their target market. Content sites commonly charge a fixed price per click rather than use a bidding system.
