OctaShop partnership with e- commerce businesses by Sanchita Kumari

Article published on June 25th 2012 | E-Commerce

Octashop is a complete platform that gives new dimensions and opportunities to those who want to develop their online business. This company partners with businesses to extract the existing setups and jointly helps in exploring new avenues which in turn increases sales, delivery turn around and customer service etc. in other words, it partners with businesses in various stages of their growth.

This company is a premier provider of online E-commerce technology solution and have been helping large players such as Bata, Major Brands, Apparel Group, Ferns n Petals, Homeshop 18, Naaptol, Indiatimes Shopping, Wespro,Kimaya, Mom and Me and many others in establishing their E Commerce platform.

So, if you want to make your online buiness dynamic and approachable then you must consider Octashop. This company has all aspects of e-commerce to target your business and helps to greater success. It provides with e-commerce solutions that are essential for smooth functioning of online business. Ecommerce solutions are gaining huge popularity nowadays as it helps in growth of buiness and ensures repeat customers.

Octashop further provides with buiness solutions and quality services such as E Commerce Consulting, vision strategy, enablement technology, call centre, operations, logistics, order processing, online marketing and promotions. In short we can say that whatever is required for your e-commerce that all will be provided and well managed by Octashop.

To add more advantages to your online buiness, Octashop has additional services which no other company services. It provides with services such as online marketing, call centre service, logistic services and server hosting maintenance. Online marketing services are very important in today's competitive world. The team of Octashop helps you to reach your customers on both online and offline modes. It will help you to understand your customers and provides path breaking solutions to you. If you want, Octashop can set up a call centre module for you in which customer services are provided. Furthermore, logistics and shipping services will help to save your time and plan your business in better way. The delivery of products is done by this company at their doorstep. Also, server hosting and maintenance is managed by this company so as to ensure that your site runs smoothly.

Thus, Octashop can be an one stop partner for completely setting this new channel for you. OctaShop carries the credentials, commitment, expertise, deliverability, operational capabilities that a business like yours would like from a partner.
