Article published on July 12th 2012 | Education

For a well developed city like Noida, it is possible to make positive changes in the cityâ€™s different aspects, to bring progress and prosperity to the city. The city has a number of schools, colleges and institutes which have progressed and shown desirable changes in them. The city is home to some of the notable colleges and Universities.

The city already has an arresting view with its well developed and posh locations. One can easily enroll for schools of this region, as almost all the schools of the city are available through online admission procedure. As the city is a hub for multinational and outsourcing companies so many eligible candidates do relocate to this place in search of good job opportunities. And as there are many parents who are relocating or are already residing in this city, there comes an urgent need for good schools for education of the children of different age groups. And the city has done wonders in the field of education by giving some of the best schools of the country.

There are some of the well known Univerities, colleges and schools, which are imparting education to thousands of students in different fields of studies. The schools of the city are CBSE or ICSE affiliated and are either run by government body or some private organization. The schools of Noida city are of different levels, some are kindergartens for the young toddlers, and some are play schools ,nurseries or the primary schools and some are secondary and higher secondary level schools.

Many of the schools also have the residential and boarding facilities available for the students. Some of the schools also have the mid day meal facility. We have enlisted some of the eminent schools with some of their salient features.
