Article published on February 2nd 2012 | Finance

Now loan process has taken a drastic change and people can avail the loan for long duration with easy installments. 12 Month Loans give you the opportunity to repay the loan at easy terms. It has totally changed the trend of availing finances. Now you can register a loan application through online. The12 month loan application is readily reviewed by the lender with the necessary details in the space provided. The details in the application will be covered with details like purpose of the amount and some other personal information. Once the loan sum gets approved by your lender, without any interval you get transferred amount in your personal account.

The facility of 12 Month Loans makes you reliable to borrow the funds in your ways at the feasible interest rate. These loans have simple eligibility criteria as you must be UK resident with the minimum age of 18 years old. You require also hold the bank account number with few months of transactions. The borrowers who are with bad credit history and have no credit check can enjoy this loan offer. UK people who fill the loan criteria are accepted by 12 month loan.

12 Month Loans offer you both kinds of loans as secured as well as unsecured. A secured loan is obtained by pledging any of your assets such as your home, real estate, important business papers, car, etc. The loan amount which offered to you is based on the equity value of your collateral. Where as, unsecured loan option is obtained without any pledging-placing of asset. In collateral-free condition, you may find difficulty in processing. However, this covers the way for borrowers like tenants and non-homeowners to avail online loans. With the absence of collateral, the interest rate is slightly higher than secured loans.

Rate of interest of 12 month loan is reasonable as competitions are very high between the online lenders. So, you have a chance of securing more at a competitive rate is not a rarity. Different lenders offer different rates, you should compare them with providing their offers and then complete deal with the best possible one.
