Article published on February 16th 2012 | [Finance](#)

If you are on the lookout for a hassle free loan which you can get in a relatively short period of time then payday Canada is the best choice. Not only that the approval is given very fast but it also has a very high rate of approval. An applicant with a low credit profile too can gain from this loan.

There are numerous financial institutions that offer payday loans in Canada. A loan seeker needs to provide the lender a proof of job, which can be a salary slip, and a bank statement. The actual motive of financial institutions asking for it is to establish that the borrower will be able to reimburse the loan amount.

With the help of this fiscal aid, you can fulfill issues such as electricity bill, house repairs, medical emergency, examination fee and much more.

Before selecting a lender it is very important to do a research. You can do that by surfing the net and select the loan provider who offers the best deal.

Payday loans Canada are short term loans granted to meet the daily requirements of the citizens. Normally a maximum amount of CA\$1500 is given as advance where as minimum can be CA\$ 50. The repayment has to be done by subsequent payday or between 2 weeks to 4 weeks.

Since barely any document is needed, it is exceptionally easy to get this credit. There are four basic requirements that a prospective client has to fulfill to qualify for it. Firstly, he should be citizen of Canada; Secondly, he must be legally employed; thirdly, he must have an active bank account in which the loan amount will be credited; and lastly he should be above 18 yrs of age.

Applicants can submit the loan application online. After the application has been verified and sanctioned, the cash will automatically get transferred into borrower's bank account within 24 hours.

As regarding repayment, the finance provider takes a post dated cheque from the debtor which includes principal amount, interest and other charges. This cheque is presented on the due date and the amount is debited from debtor's bank account.
