Products You Trust by [Sophie Goldsmith](#)

Article published on December 30th 2011 | [Health](#)

With the development of the science of dentistry, the industry of dental supplies and products is flourishing. one of the leading companies in this industry is located in Anaheim, California, Prestige Dental Products is one of the largest dental supplies and dental products company in the state. As an authorized dealer of many brands in North America, this company dedicates itself to providing dentists in this area with the most reliable dental supplies. It also offers a variety of cutting edge dental equipment which is required to operate a successful dental practice in the fields of general dentistry, cosmetic dentistry, orthodontics, oral surgery, endodontic, periodontics, pedodontics and implant dentistry.

Prestige dental Products is well-known for its highly competitive prices. Not to mention that by taking advantage of their monthly promotions, you can be certain that you are getting the best deals ever, especially on dental products.

Not only does this company sell high quality dental products, but it also offers services like handpieces repair with warranties for all brands.

One of the reasons that will tempt you to choose Prestige dental Products-aside from the affordable prices, excellent customer service and highly-demanded dental supplies- is the free shipping option available to customers situated in California, Arizona, Texas and Nevada upon any order that exceeds the amount of \$400.

Dedicating itself to innovation, this company continuously adds new dental products to its line keeping customers up to date with the latest and most advanced products.

Check out the different options of dental supplies, equipment and products at www.prestigedentalproducts.com or call 877-772-3888 if you are a dentist looking for good bargains on dental supplies and seeking good customer service.

Remember! this company's mission is to provide innovative, integrated Dental products and excellent services; and to be trusted advisors and consultants to our customers, enabling them to deliver the best quality patient care and enhance their practice efficiency and profitability.
