Some essential beauty tips for you by [Amit Sachdeva](#)

Article published on March 14th 2012 | [Health](#)

From ancient period, women are very conscious about their beauty. However, in these days our environment is becoming more and more polluted day by day. Due to this our skin need extra care. Skin care for Indians or throughout the world is very well known concept and people do a lot of efforts for maintaining the beauty of the face. We all know that face is the first thing that people notice when they look at you. It means that face is the key of your beauty and maintaining it beautifully is essential. Very few people are having a perfect skin and others need to do efforts for maintaining it. There are certain beauty tips for face that will help to enhance the beauty of your face.

â€¢ Proper eating plan: eating affects a lot on your face or body. For glowing skin, you should need to contain fruits and vegetables in your diet. It is fact that the proper amount consumption of vitamins and minerals affect a lot.

â€¢ Wash your face twice a day: We all are well familiar that we need to wash face twice a day but we can't do. This thing spoils the beauty of your face so washing your face is essential. This thing helps to keep a fine complexion and save you from acne related problems. Washing a face in the morning and in the evening help to eliminate grime and dirt particles that can clog pores. It is one of the best beauty tips for face that maintain your beauty naturally.

â€¢ Cleanser: today pollution is increasing day by day and skin needs extra care. For this various kind of cleansers are available in the market. However, you need to choose the best cleanser specially based on your skin type like oily, normal or dry skin. If you are having a pimply skin that use cleanser that is contained salicylic acid this because it helps to reduce pimples.

â€¢ Scrub: scrubbing is also important to maintain the beauty of the face. It also helps to get rid of dead skin cells and clog of pores. Many brands manufacture these products in a wide range.

You must eat balanced diet and have a plenty of water for sparkling skin.
