Designer Tiles will really add panache by Julia Roger

Article published on December 30th 2011 | Home Improvement

Are you looking for designer tiles?

If you are revamping your kitchen or bathroom and want to create a truly stunning look then you may have considered using designer tiles to really add the wow factor. The great thing about designer tiles is that they can really elevate your new look into a really exclusive style without costing the earth. If you want to inject a little uniqueness into your project without the prohibitive cost that would be involved if the design of the whole room were to be bespoke, they are the ideal solution.

What kind of designer tiles are available?

The great thing about designer tiles is that there is a whole host of designs for you to choose from.Obviously you will be looking for designer tiles to fit in with the colour scheme you are proposing but, within this remit, you really will be spoilt for choice in the varieties of tiles you could opt for. If you are looking for something really special then you could even have your own photographs or artwork placed onto your tiles. Just imagine how stunning that would look as a splashback in your kitchen.

Where can I find the best designer tiles?

Although there are various places which can offer designer tiles, one place which really stands out from the rest is the English Handmade Tile Company. Not only can they provide you with a range of the most stunning designs to choose from but they can also offer you great advice on all aspects of tiling and project design. With over twenty five yearsâ€™ experience in the industry, they know their clientsâ€™ needs extremely well and will undoubtedly be able to provide you with the exact designer tiles that you are looking for. Why not give them a call today or visit them online at www.englishhandmade.com where you can browse the wonderful selection of tiles they have to offer.
