PVC Canvas Party Tents by Shirleydavis

Article published on January 11th 2012 | Home Improvement

Tents are ideal ones and especially the Party tents, Wedding tents made using the Marquee of the PVC type is found to be more reliable giving the whooping quick party look in any outdoor scene. When an event is arranged on the outdoor eco friendly one does not know how to continue with it incase huge winds or heavy rains become the issue. Now this unpredictable weather conditions does not become matter of concern at all because the Marquee Plus 6x10m PVC grey/white provides extra support with its galvanized steel frame, PVC canvas and a lot many smart features like the easy assembly of the tent with the wing screws offers the right solution for all your party needs. It is always better to buy a tent for sale then look for rental tent / telt udlejning.

Getting the right Marquees for the Occasion

Whatever might be the occasion be sure to just fix it in an outdoor location like your garden or your locale famous spot. This allows the visitors to enjoy the outdoor atmosphere and also at the same time an exquisite party mood is created with these Marquees plus 6x10m PVC grey/white modeled ones. It is also of the more durable kind because the aluminum sheeting with the wing screws offers the perfect solution to every event. There are basically available in four different sizes: 6x6m, 6x8m, 6x10m and also 6x12m.

Quality Standards

If one looks up at the construction then one can understand that this light weight aluminum is the ideal one which proves to be easily transportable. It can be also easily erected and the easy to erect structure has got the inbound vulcanized steel frame which also ideally supports it. The ground pegs and the ground bars are one of a kind which easily makes the entire structure to stand upright with much more stability and rigidity.

Features of Party Tents

The optional set ups like the side walls, transparent PVC windows, Doors of the arch type, dance floor, wood floorings, water gutter, stake and much more would add up the beauty of the erected tent / telt (In Danish language). Wedding tents or party tents [Danish word: festtelte] every outdoor activity might call up for the need of a Marquee but we need to understand that PVC fabric canvas in the different sized tents offer the ultimate solution to cover up both small as well as huge spaces grandiosely.

Unlike the grey/white there are other colors available which could be checked up with the Marquee sales advisor who might come up with the right solution to all your tent needs!!
