Article published on March 9th 2012 | [Humanities](#)

Volunteering programs have dual benefits. You can fulfill some humanitarian objectives as well as travel to some amazing places. As these programs are affordable so you do not even need to burden your finances and still enjoy them both. So, if you are thinking of Costa Rica and its mesmerizing beaches as your next travel destination or if you simply wish to teach English to some needy students then think of programs like volunteer in Costa Rica.

There are several volunteer programs for Costa Rica offered by various professional volunteer service providers. It is your choice to choose one from them. From the different objectives for different programs, you can easily choose one which suits your budget and also your interests. As per your interest, you can choose from some teaching projects or can even choose to save the turtles and hence, enjoy the adventure of patrolling the beaches at night.

However, the Costa Rica volunteering programs are not only about giving. You can also learn a lot from them. Other than learning about the new culture and society, you can also learn Spanish at very low charges. There are certain programs which require your proficiency in the Spanish language and so you are given an initial training in the language; however, there are some other affordable Spanish classes available as well.

Costa Rica volunteering programs also give you a chance to mingle with other volunteers. You can exchange and gain a lot of experience through such activities. Volunteer programs for Costa Rica also allow you to establish a sort of bond with the people you mingle. Whether you are there to teach English or to learn Spanish; you require establishing a bond with the local people and culture.

Volunteer in Costa Rica programs from reputed service providers offers an array of choice. If you have interest in conserving wildlife then you can choose programs like wildlife conservation expedition, or saving green leather back turtle. With the former you also gain the opportunity of going for an expedition in the Costa Rican rain forest. While with the latter, you patrol the sea beaches and nesting area of green turtles; saving their eggs from poachers and predators.

Whatever be your choice, at least one thing is sure, that you are going to enjoy the natural beauty of Costa Rica. Taking part in some humanitarian objectives also makes you feel good and you return enriched with lots of good memory and valuable experience.
