Basics of Home Textiles by Wilson Singh

Article published on July 13th 2012 | Interior Design

Many people are not aware of the various rules which should be followed if they have opted to decorate their home with the help of various textile or fabrics. And not much to the amazement they end up doing something which is far far away from being beautiful. Even if they are aware of few of the points they don't use those hints in a better manner. But this would end soon as we have arranged few of the facts which are related with decoration of home with the help of home textile.

Before we move on to those points related to home textiles, which will help you in making your place a designer hub, let me tell you one of the most important rule which can be followed in each and every act of yours. That is, it doesn't matter what the rules are saying if your heart is OK or happy with what you have chosen then there are no doubts regarding that decision of your's.

Now starting with the points of conversation, the very first rules say that you should have a center of attraction.

No, we are not asking you to bring some thing which can steel the complete show, rather we are asking you to be sure of one main fabric you want to use and plan the complete decoration of your place and bring home decorative items according to that fabric only. There are no rules related to this main fabric, as it can be any staring from a plain till the gimgum checks.

Over excitement can lead to to-much.

Our parents have always tough us that, completing any task with an over excited nature can end up with an unwanted result, as when we are over joyed we always tend to use more resources then what are actually required. Same is the rule we have to follow while selecting home textiles, as using more of different styles and designs in fabric can led to a confusion rather then maintaining a balance in room.

Best method of choosing fabric which are to be use as a home decorative item is that you should look for different patterns, look for a combination of plain, floral print and strips or you can go for plain , Geometric prints and simple prints. This act of yours will help you in creating a illusion. Which definitely looks good.

Keep something common in them so that a story can be told, without worrying about various home textile price you should look for a set which is there with something common in them like a common color, as it help in telling a story.

If you have followed all the steps which are explained above to make your bathroom accessories look good, then you can turn on to the next page of this conversation.
