Changing Relationship between Parents and Children by Harry Yadav

Article published on April 21st 2012 | K-12 Education

As a child born, a parent gets birth. Throughout the life of a child, parents play a major role. They care for them, love them and protect them. Parents also take important decisions about their childâ€™s life, showing them the right path on which the child can move forward to become successful in their life. But in todayâ€™s era of modernity and fast life, relationship between a child and their parents has changed manifolds. As a child grows, he/she wants more freedom, to take their own decisions and to live life their own way. At this time a child needs your guidance, support and also you faith in them.

Apart from your faith and guidance, a child needs the right kind of environment in which its personality can grow in all directions. At PP International School a child gets this right environment and atmosphere. PP International School believes in teaching students â€˜howâ€™ to think than â€˜whatâ think so that they can make informed choices. Here at PP International School they aim to create a stimulating and engaging atmosphere which will enhance a childâ€™s latent potential.

PP International School is situated at Pitampura, which is one of the eminent locations in North Delhi. The school is established with a vision of providing quality education to students. It is an English medium, co-educational school affiliated to Central Board of Secondary Education (CBSE). The school is dedicated to provide world class educational facilities to the students and offers education from Pre-nursery to Class VIII.

PP International School is a new age, proposed senior secondary school. The school is centrally air-conditioned with the total area of 7200 sq m. Our constant effort is to empower our students and create leaders for tomorrow. We believe in teaching our students â€œhowâ€• to think rather than â€œwha think so that they can make informed choices. We aim to create a stimulating and engaging atmosphere which will enhance a childâ€™s latent potential. Backed by a curriculum that integrates the best of the eastern and western systems of education, the school is committed to enabling each child find his or her true calling in life. We aim to add extra brilliance to every facet of a childâ€™s personality which will help him to stand apart.

If your child is full of energy then Royal Castle Public School is the right place for him. Located in Pitampura this school was established with a vision of providing quality education to students.

One of the most crucial and defining factors concerning the competency of a primary school campus is its infrastructure. Royal Castle Public School has structured their classrooms and outdoor spaces in such a manner that there is ample space to provide safe and free movement for the children. The school is well lit with both natural and artificial light and is well ventilated. Seating arrangement has been designed in such a manner that it is conducive for child to be seated with a good posture and the teachers can maintain a constant vigil in the classrooms.

Each building has been constructed adhering to the most stringent of safety standards including making the entire campus equipped with fire and electrical safety norms. Their play schools have been conceptualized and built in a bright, multi-colored and attractive format in order to invigorate a childâ€™s mind. The school is affiliated to the CBSE board and follows the NCERT pattern of Curriculum. The school is a coeducational and convent school that imparts education from Nursery to Class V. If you want your child to blossom into a fragrant triumphant flower then these schools can cater to your needs.
