Article published on November 26th 2011 | Law

The University of London was organizing evening lectures for students studying LLB externally until the year 1996. When the university decided to stop the evening lectures London law tutors was initiated. They employ qualified law tutors for taking law tuitions. Plenty of companies in London are providing law tutoring service to law students.Oxbridge law tutors is a famous company which gives law tutoring to students for law course and prepare them for interviews.

London law tutor are giving tuitions for students studying LLB, LLm, PhD, and CPE and GDL courses in law. The study modules of LLB includes criminal law, public law, contract law, intro to legal system, Tort law and all other relevant law study material for the LLB course. Their tutors are professional lawyers, trainee lawyers, legal academics, BVC or LPC students and final year law students. All students are provided with study modules relevant to their course. Law tutors of London ltd gives four types of services in law tuition. They provide private tuitions for all types of law studies. They are giving model answer paper writing and arrange weekly group lectures for students of law. They also offer guide manuals for all law subjects. London law tutors are experienced lawyers, visiting lecturers and lecturers who are specialized in their respective field of law studies.

Bloomsbury law tutors is an agency having a team of forty tutors. They give law tutoring in degree level training and practitioner level expert training and professional training. Their tutors are from top 10 law schools where they worked as examiners and tutors. Every student use to have their own way of studying. These tutors concentrate on the individualâ€™s needs and aspirations and take care of their studies. Their tutors are branded as seniors and junior law tutors according to their experience. The senior tutors are lecturer or working tutors in best law schools in United Kingdom. Junior tutors are mostly postgraduate students with a first class degree from law school. All the law tutors are experts and specialized in their relevant law subject.

Another law tutoring in London is offered by International Center for Legal Studies which is an e-learn platform. This is an excellent e-learning center which gives the opportunity to get British law Degree from office or home. This gives on line law tutoring to law students. It provides individual advisor for each student and arrange workshop for training the students. London law tutors give excellent law tutoring to the law students.
