Cash shortage for busy people is a two-pronged problem. On the one hand, they have to keep postponing the urgent expenses. On the other hand, they need to spare time from their busy schedules for arranging loans.

If this describes your situation, doorstep loans are quite appropriate for you. You do not require leaving home either for making application or for collecting the approved amount. These loans will get you loan amount right at your doorstep.

If you wish to apply, your personal profile should match the following:

You should be

if ¼ a citizen of the UK,

if ¼ at least 18 years old,

if ¼ having a valid checking bank account and

if ¼ earning a fixed income every month.

Once your application is approved, you will be able to get any amount in the range of Â£100-Â£1,500. There are no constraints on how you may use the borrowed amount. You can use it to pay any bills or clear any debts. It is your discretion. The loan is available for a period of 2-4 weeks.

Loans at your doorsteps are available without pledging security against the borrowed amount. Therefore, if you are a non-homeowner or tenant, you are eligible for applying. Furthermore, these loans do not need you to fax any papers while you make application. If you furnish accurate information to the loan providing company, you can avail cash within a few hours of applying.

When you apply for these loans, your poor credit rating ceases to matter. You will not be refused approval because of insolvency, missed payments, defaults and arrears. Hence, you are eligible to apply irrespective of what kind of credit borrower you are.
