Text Loans: Get Small Cash Instantly by Chris Barry

Article published on January 4th 2012 | Loans

Everybody knows that online loans provide quick access to cash but now text loans have been presented in the loan market by the help of which salaried people can get faster cash in order to deal with urgent need of cash. Citizens in UK can make the most of their mobile phones as they can secure cash with the help of their mobile phones and make themselves able to meet their vital requirements. It is very easy and convenient to get the assistance of these loans. In order to procure the loan first of all it needs to register your cell phone number with the loan lending company through which loan is to obtain. In doing this, lenders give a unique PIN number that legalize one to do advance transactions.

Text loans are best if it needs to have a small amount of cash for a short period of time. Through these loans you can obtain cash up to Â£100 for a period of one week. The borrowed amount is electronically taken out from your bank account after the specified period of time. If you are unable to pay off the loaned sum on your repayment date, you can ask for expanding the reimbursement date. In this way text loans are available with flexible repayment tenure. But make sure that lenders will charge some extra amount of cash as late fee in case of expanding the repayment date.

In order to be eligible to apply for text loans you must qualify the eligibility criteria which are as under:

You must have a proof of attaining the age of 18 years.

You must have a proof of citizenship of UK.

You must possess a valid bank account.

You must have an email address for any correspondence with the company.

You must have a mobile phone number which is the most important thing.

If you meet these prerequisites, you can go for text loans without any hassle and get cash easily. For getting the loan you just need to send a text message to the lending institution and this will get you loan very soon with no trouble.
