Blackberry Bold 9930 â€“ think smart By Paul Smith

Article published on May 29th 2012 | Mobile Phones

The RIM Blackberry Bold 9930 is here to provide you with the latest handset that will give you a thrilling experience. With its thinner and wider design, users are going to have a good time handling the phone while operation. The mobile device is a great one that is equipped with stunning graphics, and runs on BlackBerry OS 7 and provides you with augmented reality apps. Various preinstalled apps make it attractive to the buyers like the documents, BlackBerry Balance, BlackBerry protect, Wikitude and password keeper. The Bold comes with brick breaker and mole which are the preinstalled games. The BlackBerry Bold price in India can vary according to region and needs to be checked at the store.

The design is typical BlackBerry and comes with outstanding QWERTY keypad, which is quite wide. The screen is a capacitive touch screen, which is 2.8 inches TFT and displays resolution of 640 x 480 pixels. It has the touch sensitive controls and is built with an optical trackpad. The sensors integrated are the magnetometer, accelerometer, proximity sensors etc. This is a compact little device that can be easily slipped into the pocket due to its compact dimensions of 115 x 66 x 10.5 mm and the weight is 130 grams. The build is solid and like the other BlackBerry models is durable and strong.

The camera is 5 mega pixels and comes with LED flash and geo tagging features. The resolutions are 2592 x 1944 pixels. It has been equipped with digital zoom and also includes features like the face detection and the image stabilization. The mobile has also been provided with video, video player and video recording as well. The excellent features have made the BlackBerry the most coveted and stylish mobile and are very popular among the entrepreneurs. The BlackBerry mobile price is set right and is based on the features loaded in it.

The music feature is excellent and comes with vibration, MP3 and the polyphonic tone. It supports music formats like the MP3, eAAC+, WMA and is also equipped with 3.5 mm audio jack. The connectivity options are the GPRS, Bluetooth, WI-Fi, Micro USB, EDGE and is 3G enabled phone. The messaging facilities are the SMS, MMS, email, push email and instant messaging. The battery provided is Li-Ion and has a capacity of 1230 mAH and provides decent talk time and standby time.

The BlackBerry Bold 9930 price is Rs. 29,990 approximately.
