Free Turn Application Your Apple iPhone into a TV by [John Henry](#)

Article published on February 21st 2012 | [Mobile Phones](#)

Today the large section of the society shows a great interest in TV so naturally your iphone can never take the place of 60 inches TV kept in your bed room. But sometimes your iphone works as TV as these gadgets are moveable, convenient and are always with you. With the accessibility of the right apps and subscription service you would never miss your favorite TV programs ever. Below is the list of some apps with help of this you may watch your TV programs anywhere.

1. Hulu+ - This is website through which you may watch all your older programs or current running channels in a great way. Through this app you may browse very easily and for using Hulu+ app membership is must. Hulu+ app is gateway of the important clips of the last night shows, all the comedy shows, serials and video movies. There is a tab at the bottom that would take you directly to the current running shows.

2. Netflix - This is the other app like HULU+ which allows the users in watching variety of TV programs and movies. In this also there is a tab through which you may watch any of your favorite channels. If you want to watch something interesting then there is a Genres tab which allows you to watch any TV show, documentary, thrillers movies and so on. The sound and the picture quality are superb but make sure that there is a good access to Wi-Fi and monthly subscription is required.

3. Crackle - If you don't want to pay any monthly subscription charges then Crackle is for you as this free app through which you may select any of TV shows and movies without paying any charges. In this you may watch many classic shows like Bewitched, Jackie Chan, and Married with children, Three Stooges, All in the family. You may get free Crackle app through Face book account information. There are some original programs that you won't get anywhere.

4. PBS and PBS kids video - Both of these apps provide education, arts, entertainment to the people and that is also free of cost through Face Book. You would find all the TV shows in this PBS moreover there are Austin City, Limits, Great Performances, Antiques Road show, Frontline, Nature, NOVA, and many others.
