In this second part of our discussion you will find some of the remaining features of the same handset, plus you will also find the comments and reviews received for this mobile from some of the famous experts and various users of the same. Which in return will definitely help you in making your decision better that if you want to own this Sony Ericsson handset or not.

While buying a new handset one of the few things we all look for in it, is its storage capacity, with the growing needs and requirement the storage capacity required in mobile phones has also increased, but you don't have to worry for that in Sony Ericsson XPERIA Play as it comes with an expandable memory of up to 32 GB which is actually a lot of space for all your needs and the internal memory of the same is up to 400MB.

Now the next thing in our list of features is its battery backup, with the help of few Sony Ericsson XPERIA Play reviews we have come to know that this handset supports a talk time of up to 8 hours when the mode of communication is 2G and if you are using 3G then it will support it for up to 6 hours.

Connectivity is also not a problem in new Sony Ericsson XPERIA Play as it supports GPRS, 3G, EDGE and Wi-Fi technology and also comes with the facility of Bluetooth and USB port so that you can connect your phone with other devices and share documents.

Now coming to the next part of our discussion, that is "Sony Ericsson XPERIA Play reviews". There is no doubt that this handset has gained a huge round of applause for itself, but with most of the nice things there are also a few things which can be listed in the list of bad points for the same.

There are many users of the same who are pretty disappointed after seeing the price this handset is coming in, as they have to say that Sony Ericsson XPERIA Play price is much more than what they have expected it to be. In fact buying a play station along with a smart phone would cost them much lower than this Sony Ericsson mobile price in the market.

But don't get disappointed as there are many good reviews as well related to this mobile phone, as this is the very first mobile of its kind that has come with a combination of features of a play station and a smart phone as well.

For better information on new Sony Ericsson XPERIA Play price and its reviews you can take help from various online shopping websites in India.
