Justin Bieber may be one of the youngest musicians to take the stage today. This Canadian pop phenom is taking the United States by storm, with girls ranging from pre-teens to adults wanting a piece of the Bieber action. Bieber's brief musical history has literally exploded into a sensation that seems to have a life of its own.

History of Justin Bieber Tickets

Justin Bieber was born in 1994 in London, Ontario, where he was raised by a single mother who worked a variety of low-paying office jobs to make ends meet. Bieber is also in contact with his biological father, Jeremy Bieber, who has since married another woman and has two children with her.

Bieber's music career began at the tender age of 12, when his mother posted one of his local performances on You Tube. Bieber's videos were noticed by music pros shortly thereafter, although he continues to use You Tube and a variety of social media to build his career.

What to Expect of Justin Bieber Tickets

People who purchase Justin Bieber tickets are in for a show filled with special effects, pyrotechnics and a number of classic moves by Bieber himself. This Canadian teen demonstrates his ability to wow a crowd with every concert he performs, sometimes engaging his audience by bringing a lucky fan onto stage with him.

Bieber also gets into the audience with special effects, like a huge silver heart that he rides on over the crowd, while strumming his guitar and crooning hits like "Never Let You Go."

The stage is awash in lighting, lasers and a few pyrotechnics, such as green smoke that dissipates to reveal Bieber, his backup dancers and his band at the beginning of the show. However, it is the singing and dancing by this talented teen that have most rushing out to purchase Justin Bieber tickets, and the teen does not disappoint, with plenty of the latter without impeding the former.

Who Should Attend?

The crowd lining up for Justin Bieber tickets is predominantly female and mostly under the age of 21. However, a few adult women are also seen in the mix, presumably to accompany their pre-teen daughters to the show. However, those same women are often reportedly seen dancing in the aisles within the concert hall and enjoying the talents of the young performer just as much as any of the teens present!
