Crusaders Technologies by Neeraj

Article published on December 6th 2011 | Others

The most popular selling items under the umbrella of Crusaders are Ionic Air Purifiers, Digital Notepads, and Mobile Jammers, and other unique conceptual products. A constant R&D and a desire to have state of the art technologies helps us to keep pace with the changes and the trends of the market.

Along with these products the company is also developing into a solution provider for regular items, such as Projectors, Interactive Whiteboard, Privacy Screen filter, Security Cameras for surveillance activity etc. We at Crusaders are constantly on the lookout for the new available technologies around the world and try and present to you a wholesome solution to a common need which is spread across sectors like Government, Defence, Corporate, and Educational Institutes.

Our constant motivation stems from the customer satisfaction of our esteemed clients which include the office of the President and the Prime Minister of INDIA, various ministries and the offices of various ministers including all the offices of all the three chiefs of the defence forces, and the likes.
