This beautiful country spoils the choice of the vacationers as it has endless attractions and destinations which will elate the heart of every visitor's heart.

Australia is truly a dream destination for all the vacationers and is one of the beautiful places where Christmas can be celebrated during the summer. So, plan to celebrate this Christmas in summer by visiting Australia and explore some of the magnificent tourist attractions and destinations. So, just don't dream contact a leading Australia tour operator and customize a package and explore the fascinating tourist destinations and its astounding tourist attractions. As this splendid country offers different categories of hotels thus offering different choices to the all sorts of vacationers, can be online booked or along with the tour operators according to your choice and budget.

Some of the major Australia tourist places which easily will leave the vacationers spell bound on your visit are as follows:

Hunter Valley

Hunter Valley is one of the most beautiful tourist destinations which will never forget in your life. This beautiful place is home to excellent wines which easily attracts the vacationers from all over the globe. This intoxicating place is situated in the foothills of the Brokenback Ranges, in famous Pokolbin. Apart from the finest wine this wonderful place is very worth to discover its modern and traditional art and craft. This scenic valley was established some 150 years ago. If you are an enthusiast of natural beauty, wildlife, fanatical golfer, lover of wine and a gourmandizer truly Hunter Valley offers every thing to every one. There are numerous galleries with abundant full of antiques, art, crafts and old souvenir which can be bought. Beside the tourists this place is also famous for the locals as they visit for romantic weekend or midweek break. Truly this is a paradise where everything is offered which easily enhances the beauty of Australia tourism.

Great Barrier Reef

As visiting to this wonderful destination Great Barrier Reef cannot be escaped as this is the major site and is breathtakingly beautiful and is very tough to describe its extraordinary beauty in any words. It is also considered as the most well protected marine site in the entire world. This astounding Reef stretches eight six million acres along the North Eastern Australian Coast. The awe inspiring nature and the diverse range of marine life are truly shher wonders which are going to overcast a magical spell on your visit to this incredible Reef in Australia.

Beside these there are numerous destinations and attractions which truly are very worth to visit and explore and make your vacation more delightful and wonderful. Australia travel guide will be very help full as you explore the country and its awesome tourist attractions and destinations.
