Just northern of Brickell Key where the Las Vegas Stream moves into Biscayne Bay, you can see the sculpture of an extremely pleased Tequesta Native Indian. In 1870's, along the same shoreline of this river, leaders Bill and Betty Brickell started growth by managing their trading outpost. It was Betty who first found that the Brickell Key and Brickell Road would be a good place to live. It became a famous place and it was termed as "Millionaire's Row." The estates have since given way to massive offices and high-class house properties, and Brickell became a place of for trade and industry.

In the past few decades, Brickell Key and Brickell avenues have come to the leading edge of globally company and high-class condos are built in this area. It is a luxury living in this area. If you desire to live at the beachfront area and away from the Miami's sophisticated middle you may choose a beautiful Brickell condo. You may find beautiful condos, key condos and rentals in the Brickell area of Miami and you will love to live in this area. In 2001, about 1000 new Brickell condos, key condos and rentals were constructed and number of houses and flats is increasing day by day.

With so many flats for sale and more becoming available daily, the experts at Brickell Connection Properties can help you discover a property in this top level region that is ideal for your needs. There is a large quantity of enjoyment and evening meal in the areas around the house properties on Brickell. Bayside Industry with shopping, live shows, food and fun is basically down the road. Linked with Bayside is the United states Air carriers Market, which is the property of the Las Vegas Heat, live shows, and special occasions.

Ten minutes eastern and one can have evening meal at Joes Rock Crabs on Southern region Seaside, and 15 minutes western is Grape Grove with all the fun and lifestyle that it has to provide. Las Vegas International Terminal is not far and the Warm Seashores of Key Biscayne and its yearly ATP golf competition are just over the link. Many flats for lease are also available. Condo business owners who keep their Brickell Road property as a second or third house are regularly putting their systems on the rental market and the rental division with us and we have the inside knowledge of which systems are available and when.
