With each passing day, Delhi and NCR is falling short of available construction land. This is the reason why most of the Indian real estate builders and construction giants are looking for nearby cities for their new and upcoming housing and commercial projects. Out of various such developing cities, Bhiwadi is the new commercial hub with various Bhiwadi housing projects. Many Indian real estate and property builders in Bhiwadi are coming up with new ideas of building housing societies, business centers, malls and other commercial properties. They are in harmony with the thought of constructing townships and providing all the facilities like hospitals, schools, malls, etc in or near the residential area.

Genesis Infratech is one the most popular real estate builders in Bhiwadi. The company is making its presence felt by its state-of-the-art projects named Genesis Greens, Genesis Gardenia and Genesis Mall. The company was founded in the year 2006 with its corporate office in Gurgaon. The group is developing Bhiwadi residential projects by the name of Genesis Greens and Genesis Gardenia along with few commercial projects like Genesis Mall. It has a strong and undiluted commitment for quality and integrity. The company has expertise in construction domain and builds world class houses, commercial complexes, hotels, malls etc. The new and innovative building technology used by Genesis Infratech has created ripples in the Indian market and thus the group is able to carve a niche in this field.

Bhiwadi real estate market is seeing a revolution with the construction of Genesis Mall by Genesis Infratech. This will be the first entertainment and shopping mall property in Bhiwadi. The developments are huge and visible. Experts opine that Bhiwadi is the new Gurgaon in making. With the advent of new and more multinational companies, Bhiwadi is fast attracting eye balls of many. Various new job opportunities are created and thus Bhiwadi housing is on boom. Builders in Bhiwadi are expecting to meet customer's expectations in terms of houses and facilities available. Genesis mall is strategically planned and placed on the main Alwar- Bhiwadi road. The mall is extremely approachable and is bound to attract huge clientele from local areas as well as from Gurgaon, Manesar, Dharuhera and Alwar.

The mall is expected to cater to all the shopping, eating and entertainment needs of the family. It will see participation from many major retailers in India who would provide goods at most competitive prices. It will be articulately decorated to attract children's attention. The architecture, ambience, the brand mix and the special amenities will be perfectly blended and will be of international standards. This will play a key role in increasing the footfalls and generating high sales for both the big departmental stores and other retailers as well.
