Hosting the top notch and modern amenities, the development is one of its kinds and offers maximum comfort and lavish lifestyle to the inhabitants. Well equipped gym, yoga and meditation room, Olympic sized swimming pool, badminton courts, separate children area etc are some of the features that make sure that you live life of style and comfort. The apartments at Pacifica Aurum will give you and most pampering treatment and help you experience the true community living.

Situated away from the fuzz of the city, the creation will give you a tranquil environment, where you can rest after a long hectic day. The project promotes healthy living with the lush green surroundings and the world class services. The apartments are well ventilated and high ample carpet area ensures the comfortable living.

Another factor that makes this residential complex a hot property in Chennai is its strategic location. Located at OMR Chennai, the development is well connected with the major landmarks of the city and reaching other civic areas from this residential project is very easy and quite comfortable. Real estate developers are taking keen interest in the city's real estate market and are launching their ambitious and luxury projects. One such project launched by Pacifica Group is another benchmark in the series and is called Pacifica Aurum.

Pacifica Companies was founded in year 1978 under pioneering leadership of Ash Israni, the chairman of the organization. Pacifica Companies is a high organized and well integrated real estate development company of south India. The group has developed swiftly over three decades because of a steadfast dedication to favorable investing, keeping high level of liquidity, and having a capability for discovering the correct real estate at the appropriate value. The Group has sited some of its prestigious projects in the cities like Ahmedabad, Vadodara, Hyderabad and Pune. The Group is dedicated to bring opulence at affordable sizes and believe in delivering quality services with meeting deadlines.

The high compensations and carving for every opulence and soothe has increased the demand of luxurious residential apartments in the city. These all needs fulfilling by Pacifica Aurum offering opulent apartments to the people who don't want to compromise with the magnificence in their lifestyle. These apartments are stylish, well planned and supports sophisticated infrastructure. Other than this, the lush green landscaped area takes the residents away to the serene and calm atmosphere.

Now there is a great demand of properties in Chennai, as it is also the capital of Tamil Nadu and is the fastest growing metropolitan city of South India. The city is best known as a motor city because of the automobile companies in the city. However, in the recent years, various multinational companies and IT industries are setting their root in the city, thereby making it become the next IT hub of India. The brimming IT industry has attracted lot of young professionals, from various parts of the country, that are now migrating to the city in search for better career opportunities. All this has increased the demand for the commercial and residential properties in the city.

Residing in these wonderful apartments of Pacifica Aurum Chennai which are the result of creativity and hard work of the engineers and designers will help you explore the higher standards of living

with international standard features and amenities.
