Property Road Show Dubai by [Sameer](#)

Article published on January 17th 2012 | [Real Estate](#)

Dubai real estate Road Show kicked off recently which witnessed an overwhelming response from the property investors across the globe. The second road show is soon to be announced which will cover India and other lucrative markets to attract investors.

Dubai is experiencing an unprecedented property boom. In order to promote and market Dubai's strengths as a business and investment hub, the department decided to conduct dedicated road shows for the real estate sector. The initiative will allow real estate developers and promoters to market their projects in the markets like Saudi Arabia which has high growth potential.

The two main objectives of organizing the road shows are to increase awareness on facilities, infrastructure and support provided by various Dubai government departments and to increase public demand on Dubai real estate. Dubai's realty major Emaar was the co-sponsor of the road show.

Many prominent real estate developers from India have also participated in the road show. They were the exhibitors showcasing various projects being executing in Mumbai and other metros cities to grab the attention of investors and prospective buyers. Among the participants includes prominent developers from Mumbai viz. Vijay Group, Hiranandani Builders, Lodha Developer, Kalpataru and many more. From Delhi participants list include viz. DLF, Gammon India and many more to name.

Vijay group has showcased variety of projects which are running in Thane city of Maharashtra state, India. Vijay Group are the leaders in real estate and are the frontrunners in the construction business.
