When hosting your own event, it can get a little hectic, but one of the most fun parts about throwing a party is deciding on the decor. It doesnâ€™t matter if you are into classy decor or bright funky colours, at Chair Cover Depot youâ€™ll be able to find everything youâ€™re looking for.

When it comes to your event, you want to make it a memorable one. Not only should your guests leave happy, they should be totally in awe of your function hall decor. Jazzing up your venue and giving it some personality gives your party the perfect ambience. Great decor is not only inviting, it is comfortable.

If you want to make sure your guests have a good time, then youâ€™ll definitely want to pay attention to the little decoration details that count.

A great way to decorate your event is to use the array of Organza Fabric available at Chair Cover Depot. Not only is Organza Fabric sheer and fun, it can be matched with all different types of decoration ideas, allowing you that creative space you need to host a memorable function.

Besides being a versatile fabric, organza is breezy, giving your event an elegant and light feel. Depending on the colour scheme and theme, youâ€™re bound to find what youâ€™re looking for here.

The Organza Fabric comes in a multitude of colours such as garnet, regal gold, turquoise, silver, white, purple, hot pink, royal blue, and red. The variety of colours allows you the liberty to mix and match at your pleasure.

And the greatest part about the Organza Fabric is that each 1.5m wide piece can be used in an assortment of ways.

For instance, Organza Fabric is a great item to use when sprucing up your tables and chairs. The Organza fabric over a table cloth or chair cover adds that extra bit of personality you need to make your event a successful and welcoming function.

If youâ€™re using Lycra, Poly Cotton, or Scuba Chair Covers for your event, then you may want to look into some delightful Organza Sashes. Available in almost every colour that you can imagine, the Organza Sashes add an elegant touch to any chair, draping nicely around it and down the back. The great thing about these Organza Sashes is that they sparkle in any light; therefore, your function hall will be brilliantly bright when using these pieces.

Another way to spruce up your chairs is by trying out the Organza Tiebacks. Not only do these tiebacks come in an array of colours, they are each beautifully sheer, giving your event a crisp feel. The way these tiebacks cover the top of the chair and tie in the back give your chairs a beautiful finish.

Lastly, with Organza Fabric, you can accessorize your tables with Organza Table Runners. These Organza Table Runners are best when you match them to your Organza Chair Sashes or Tiebacks. The Organza Table Runners add that extra sheen to your tables and add sophistication to your event.
