E Shopping in India by [Flipoclick](#)

Article published on April 7th 2012 | [Shopping](#)

Shopping online can save you money especially when you couple it with online savings codes, deals of the day, and free shipping offers. Retailers do not always offer the same deals in their brick and mortar stores as they do at their online stores. The reason for this is the costs of running an establishment is considerably greater than an online store. Factors such as rent, electricity, payroll, fixtures, and shrinkage loss all contribute to the gross margin and overhead of doing business in a shopping center.

Retailers have discovered that they can meet the needs of their customers with less operational expenses, by having an online location and not a physical store. Good online retailers then pass that savings onto their customers by cutting the cost of the products. FlipOclick .com â€” among top online shopping sites in India gifting a grand knowledge of expedient, exact, eminent and expenditure specific experience of E-shopping in India in a minute over a browser click.
