Hair accessories wholesaler! by Isoire Nadala

Article published on November 26th 2011 | Shopping

Summary: HHS Bijoux is a Hammerhead sharkâ€™s subsidiary and is specialized in the jewelry wholesale sector. The firm provides its services mainly online on http://fr.hhsbijoux.com/. The company focuses its energy on the wholesale fashion jewelry and is now considered as a top reference among distributors.

Body: This worldwide jewelry factory works with the best retailers all around the world. More than 20, 000 references are available on HHS Bijoux portal such as creative leisure jewelry, jewelry for children, costume jewelry and hair accessories items to embellish your hair.

The range of products goes from extravagant costume jewelry to small claws adding a subtle touch to your haircut. So, the numerous types of accessories will allow you to target a very varied population for your shops.

However, there is a vast range of choice with hair ties, barrettes, headbands, etc. The latest fashion trends including bows, HHS Bijoux puts various models at your disposal along with hairpins, barrettes (for children and adults) and clips. Other essential fashion accessories of the moment are headbands. They are available in various colors and with various ornaments, they are ideal for little girls, but also teenagers. Currently, fine models are meeting great success and the trendiest ones have a little ornament on the side, adding a little plus to your style. Some hairbands are made of soft materials such as fabrics or leather, and others are made of rigid materials. HHS Bijoux also proposes various other types of hair accessories to help you come up with a unique style.
