Indulge and Live Comfortably by [Lenie Smith](#)

Article published on April 13th 2012 | [Shopping](#)

As you know, Plaisirs Boutique is a flash of genius and a jewel in the crown of an indulgence lifestyle market. This is due to the fact that it offers eco and ethical products. Using a retailer such as Plaisirs Boutique can refine your daily routine with deluxe, yet fairly traded natural and totally organic aromatherapy products such as bath oil or soaps. Now Plaisirs Boutique has gone online, offering all of their little treasures in an easy to reach place. This is the one stop shop for indulgence, perfect if you want to pamper yourself or someone special. With their beautiful, luxurious and exclusive products, you can be sure that these are effective and ethical.

It is not just only the amazing colours of the Butter London nail lacquers that draw women to the brand but it's also because these varnishes are free of carcinogens. This means that you will never find any chemicals such as DHP, Toulene or even Formaldehyde within the products. Butter London will not only make your nails look great but their varnishes are also kind to you. With this, it is certainly no wonder why some of the designers and celebrities like Betsey Johnson, Calvin Klein, Alexander Wang and Victoria Beckham really Butter London too. You will find a host of brave as well as bold shades from their collection and also a selection of nail fertilizers, these treatments act as protective coats.

The feeling of being comfortable and fit comes with the Eberjey Collette the image of feminine styling and graceful design. These garments are actually available in three colours, pebble, white, and black. This stunning undergarment uses an empire line shape has remarkable detailing, the pleats that form the shape under the bust is very flattering, which also can offer a confident feeling. With its lace hem as well as the scalloped lace edged spaghetti straps, it is for sure that the Collette chemise is a must have. Shop for these incredible and stunning items from Plaisirs Boutique's Eberjey collection to discover the real beauty of loungewear, nightwear, and underwear.

One of Plaisirs online Boutique's customer favourites is the This Works range of bath and body, and skincare products. They offer products such as perfect hands, bath oil and more. These are great products if you are looking to treat someone you love by giving them an innovative aromatherapy gift. Of course you could even indulge yourself with the lifestyle range of This Works products. If you are really looking to give something alternative and different to the common gift, then drop by Plaisirs Boutique for some great ethical ideas.
