Article published on February 28th 2012 | Shopping

The thong has been around for quite some time. It is popular underwear for a woman that is apparently no longer exclusive for the female population. Menâ€™s underwear has significantly evolved through the years and as a proof of that, it now includes menâ€™s thongs. Men now have a wider choice when it comes to their underwear. Men who are more conservative and traditional can choose the boxer or the brief. For the men who are more daring then they can choose the menâ€™s thongs.

The thong that is known as a womanâ€™s underwear has a thin string that wraps around the waist. The string sits in between the cheeks of the buttocks while the front is covered by a small piece of fabric. This is also the same construction of the menâ€™s thongs.

The usual reaction of most people when you mention menâ€™s thongs is disbelief. A lot of people find it hard to believe that there is a man who would be willing to wear menâ€™s thongs. This is mainly because the thong has always been associated with womenâ€™s underwear. In addition to this, some men are also opposed to the idea of wearing menâ€™s thongs because they feel that it is physically impossible for them to wear one. There is also the issue of the discomfort associated with wearing menâ€™s thongs.

In these modern times, not all men agree in this line of thinking regarding menâ€™s thongs. More and more men have become open to wearing menâ€™s thongs. Some men prefer to wear menâ€™s thongs because of its eroticism. Menâ€™s thongs have brought a lot of excitement and eroticism to the boudoirs of quite a few couples.

With regards to the perceived discomfort of wearing menâ€™s thongs, this is simply something that a man has to check out for himself. Wearing menâ€™s thongs is not entirely uncomfortable. Once you get past your inhibitions against wearing menâ€™s thongs and wear one yourself, you will discover that it is more comfortable than any other piece of underwear you have ever worn. Menâ€™s thongs are in fact very comfortable because of the freedom that it allows. You feel as if you are not wearing any underwear at all.

Menâ€™s thongs are a great piece of underwear once you accept the idea of wearing one. It is after all a piece of underwear so it is meant to be worn beneath your clothes. Nobody ever has to know that you are wearing Mens Thongs underneath your conservative clothes. It can be your little secret.
