The Indian customers are unquestionably pampered a lot! Hifi devices, designer clothes, delicious dishes and upmarket lifestyle accessories sit patiently, waiting to be adored and at last bought, as classy stores try and beckon them to their stylish air conditioned surroundings. The stylish malls that accommodate these shops beautify themselves with all the conveniences possible that could make the consumer's shopping experience a truly exceptional one.

As one observes malls springing up by the dozen in Delhi, India's astounding development in the retail sector plainly hits one in the face. Lifestyle brands for example Marks & Spencer and global chains like Debenhams have never had it so good, as these malls offer an ideal atmosphere for their goods to be showcased to their target audience.

A fast growing market, de-aging population, younger employees, greater material comfort, increase in double income families and quick urbanization are making India the centre of attention of international investors.

These establishments offer a huge boost to footfalls, since they accommodate a number of the leading fashion brands in Delhi. The popular saying-Consumer Is King- has assumed a complete new significance in the current retail development, as every step possible is being taken to suit the consumer's requirements.

The malls in Delhi have some more fun and amusement to offer to its visitors. Events in malls have been attracting a large crowd, as well.

With its global brands, up market coffee bars, cinema complex and fashion outlets, Select CityWalk, the best mall in Delhi, is a tribute to flourishing India.

The mall, a famous hang out place in Delhi is one stop place for enjoyment, frolic, shopping and food. It has more in store to make its visitors relax and laugh at life and its ways
