Nazar Suraksha Kavach. We have seen it on TV, on websites, on Google searches etc etc.. Many questions do pop up in our minds like What exactly is this Nazar Raksha Kavach? Who Makes it? Does it really work? Why should I believe in its power? Well, we all wonder about these questions. Lets first understand a bit about Negative energy and Evil Eye that exists around us. Evil eye is nothing but the negative energy that is passed on to you or around you by many known/ unknown people or natural energies that we encounter in our day to day lives. Negative energy can be disastrous to a person's life. It can cause general bad luck, health problems, etc. Often when a person thinks that they are cursed or hexed, the real problem is negativity and the sugar coated evil words from people. Negative Thoughts of others Causes ill effect on you. An unbalanced person that constantly thinks negative thoughts about you or wishes you ill can cause you problems. This is especially a problem with jealous people. You may have had these problems yourselves with certain relatives. You noticed that every time You got around certain members among your relatives, office colleagues , you feel bad, have bad luck and often become ill.

Thoughts are more powerful than most people realize. This is because thoughts generate energy. Enough concentrated negative thought can cause negative things to happen. That is why it is so important to be optimistic. If it looks as if something negative is going to happen, instead of dwelling on it, take measures to prevent it.
