Perfume: Musky Vs Sweet by Ashish Kunar

Article published on January 23rd 2012 | Shopping

As the world of accessories is growing rapidly and thus we have option these days to gift. Starting from perfume to shoes, and hats to watches. Deeper you go the more options you have. These options can vary from individuals to individuals as per their taste; however one of such popular gift item that has been a hit among the youngsters is perfumes. There are different kinds of perfumes available in the market these days and few of these are Musky and Sweet. Musk has been popular perfumes for hundred of year and is still popular among different ages group. However Sweet perfume which is comparatively newer than musk.

Musk perfumes is a popular form of perfume which is has been used for a while in different part of world. Though we have different kind of artificial perfume with the Musk as base but in early days it was made out of the gland that was extracted from Musk dear after killing it. The gland is called musk pod, and that is why the perfume is called as Musk Perfume. Musk dear are found in different form and size in different part of world starting from Indian sub continent to North America. Though in early days it was extracted by killing the deer but now they are prepared artificially and thus one can be sure they are not against the nature while using the perfume. The musk perfume has been ruling the market for a while and thus, many experts in the perfumes world have been trying to come up with something new. This has given the birth to the much hyped and desired perfumes witch a lot popular among the females and thus making a hit on the eve of Valentineâ€™s Day. There are many other form of perfumes that are available in the market but the still Musk and Sett are the most popular form of perfumes in the world.

Musk and Sweet perfumes are available on major online stores for the eve of Valentineâ€™s Day but the Musk has been popular among the girls as they gift it to their boyfriends and husbands where as the Sweet perfume has been popular among the boys as they think it suits better on them. The perfumes in the range of sweet perfumes consists different kind of bases like fruits, leaves and flowers.

The debate for the better perfumes can last a lot but it depends on the individuals what kind of flowers they would like to go for. Most importantly it also depends on the occasion we are buying for, as the musk is considered all time favorite for the romantic occasion. Thus go for the favorite one on the eve of Valentineâ€™s Day.
