Slim N Lift Body Shaper is a body slimming suit which helps you to look slimmer than your actual size. Wondering whether itâ€™s actually possible? Well! Yes it works amazingly. Lets understand the logic. The material is made from a micro fabric Spandex which is stretchable yet firm. When a person with excess rolls wear it, the extra fat gets so smoothly adjusted in it that all the extra fat rolls just disappear. You get the perfect curves back.

It comes in two Varieties, One is with Straps and the other is without Straps. The advantage with the one with straps is that it gives extra support and a firm looks to the bust line, thereby uplifting it and also has a slit opening for ease and comfort in the wash room. The straps are detachable and can be worn in different styles as per the dress design. Lets say You wish to wear halter neck top, you can wear just one strap around the neck, Or if you wish to wear the straps criss cross then you can do that as well. While, without straps can be recommended for ladies with sizes from XL,L,M and S the one with straps (Slim N Lift Super)can be recommended for XXL and XXXl sizes.You get it in two colors. Clothes fit perfectly and look better without the extra lines and stretches. There is even no need to wear a panty so o worries about the visibility of lines . Its hand washable and reusable with easy maintenance.

Now a Days there are many online stores with different offers on Slim N lift Body Shapers.

Like www.homeskyshop.com a well known Online Store has 3 offers running. Single without straps; Buy 1 get 1 without straps; Single with straps and Buy 1 Get 1 with Straps.
