Transform into a princess bride with Bridal Tiaras by Mary Porter

Article published on July 23rd 2012 | Shopping

Most brides feel like a princess on their big day, but make sure you go that extra mile and look the part too with bridal tiaras.

Bridal tiaras add an extra bit of glamour to your special day.  Setting off any hairstyle perfectly, bridal tiaras create a wonderful sparkling affect which will catch everyoneâ€™s eye as you walk down the aisle.  Bridal tiaras also work extremely well with veils, transforming you into a stunning bride.  From vintage glamour to modern glitz, bridal tiaras are one of the most popular bridal accessories.

Available in a wide range of styles, bridal tiaras are perfect for all brides.  From large, eye-catching bridal tiaras inspired by the likes of Katie Price to elegant and understated bridal tiaras which complement a simple hair style, youâ€™ll be sure to find bridal tiaras to suit your style.  You can also choose between bridal tiaras which are fixed to your hair with a comb and bridal tiaras which fit in a similar way to a traditional headband.  The type of bridal tiaras you look at might be dictated by your hairstyle and veil.  You can also choose the jewels that best suit you.  Bridal tiaras come adorned with diamante, pearls and crystals.  Choosing the right one for you can be a fun experience!  Although traditionally clear or white in colour, bridal tiaras are also available in pretty pink and lovely lilac so you can find one to match your colour scheme if desired.

You donâ€™t have to be royalty to afford bridal tiaras.  With prices starting at just over Â£10, bridal tiaras are available for any bride wanting to add a touch of sparkle to their day.  Itâ€™s often popular for brides to turn their bridal tiaras into another piece of jewellery after the wedding day is over.  Transforming bridal tiaras into earring or a necklace means you can wear your tiara every day!
