Trot2 - Combining the Latest in Design Technology by [Lenie Smith](#)

Article published on June 10th 2012 | [Shopping](#)

Specially created for the British weather, you can be sure that a Joules gilet from Trot2 will keep off the chill in a perfect way. With the use of their skills when it comes to blending practicality with attractive styles, there is certainly no wonder that Joules have created gilets that are very much popular for both men and women. By way of understanding the needs of the customers perfectly, Joules brings together windproof as well as the waterproof designs with a real eye for those people who are fashion conscious. Joules clothing has been actually born of an understanding about the British country life, with all its quirks and eccentricities as well.

Joules clothing is also wonderfully relaxed, with a fun attitude and no fuss style, it is designed to be thrown on and could also make you feel great. This clothing also reflects a carefree attitude as well as a sense of humor that brings a collection of items including jackets and tops to boots and socks, the range of Joules clothing is certainly bright and airy. Whether you feel like going out for a rumble in the country or just even pottering in your garden, you can still be sure that you will feel comfortable in the Joules collection for the season. Here at Trot2, you can find a wide range of women's wear from Joules that will love to have.

Other than that, Pikeur clothing is also known for its distinctive quality as well as taste that combine the classic looks and the modern styling as well. With this, Trot2 is proud to present the Pikeur range of elegant equestrian clothing tailored for women or even off the field. Renowned by those professional horse riders, this clothing line can now be seen in the International competition circuit. Pikeur clothing also includes a great collection of items for casual wear, jackets as well as shirts and fleeces that are all available from Trot2 in a variety of styles that starts from the brightly coloured to the more classic looking.

With the great combination of the latest in design technology, there is no wonder that Mountain Horse produces a wide range of Equestrian gear which includes jackets, breeches, accessories and the Mountain Horse Riding Boots. Among this great collection of exceptionally high quality products, you will also find Mountain horse riding boots brimming with the most latest innovations. All you have to do is to wear any of the boots in Mountain Horse's range in order for you to feel the quality as well as the unparalleled comfort that their range of sports footwear could possibly give you, which can be found only here at Trot2.
