Evince Technologies PHP development india by Alsa

Article published on January 3rd 2012 | Software

Evince Technologies is a complete Internet solutions company. We specialise in internet solutions and software development and have a strong reputation for developing professional websites and online marketing strategies to ensure that you not only meet, but exceed, your online marketing goals.

We are located in Chennai, India and we offer our services to different parts of the world.

Personally, we are a group of upbeat, technical and creative developers who prioritize integrity in our business relations. We strive to be excellent communicators, thinkers, and solution pioneers who are easy to understand and communicate with. We all love what we do with passion and great enthusiasm, and pledge to make your experience with us a positive one. Evince tech offers a full complement of Internet-related services, including:

Internet/Intranet application development

E-commerce solutions

Web Strategy

Site Engineering and Design

Database Development

Site Hosting

Maintenance and Tune-ups

Internet Promotion
