Toshiba Corporation is Tokyo based multinational electrical and electronic device manufacturing firm. In 2010, the firm had achieved fifth position in terms of revenue collection as world's largest seller of Personal computers.

Toshiba has good status in the market of portable laptops too. Now, with the launch of Toshiba Portege Z835-P330 laptop, it has again proven its status. It is hard to confess that most of the window users secretly admire MacBook Air. But, getting such a high ending laptop is not possible for all of us. So, what? The introduction of Portege Z835-P330 laptop by Toshiba offers you all the features and design that one wants to have in his or her laptop.

Toshiba Portege Z835-P330 is among handful of laptops, which is trying to break the old rules that are being stick with Ultrabooks performance. Portege Z835-P330 has come up with the blended features of portability along with the performance. Toshiba Portege Z835-P330 falls under the category of Ultrabooks, so it is obvious that it is thin in shape and size. The laptop weighs as normal Ultrabooks. The features that are equipped in this laptop, along with its performance could impress you a lot.

The launch of Toshiba Portege Z835-P330 could be a new revolutionary move for the Windows, towards the Ultra portability, performance and affordable price. Earlier, Ultrabooks had demanded a price of \$1,000. However, Toshiba Portege Z835-P330 have broke the old tradition of both price and performance tags associated with Ultrabooks.

Currently Toshiba Portege Z835-P330 is among the list of cheapest Ultrabooks. It is available for around \$800 and one can even find it on for a sale as low as \$700. Unlike, Acer Aspire S3 which also falls under the same category of low ending Ultrabooks, Toshiba's Portege Z835-P330 not only offer low price but also offers the excellent performance, along with the dedicated 128 GB SSD drive. This is pretty standard for the Ultrabooks.

Toshiba Portege Z835-P330 comes with backlit Keyboard. It has 13.3 inches LED backlit display and GbE LAN port. The laptop also has USB 3.0 port, which is best for fast data transfer. Toshiba Portege Z835-P330 is powered by Intel® Core i3 2367M Processor. The video is supported by Integrated Intel HD Graphics 3000. The laptop has 128GB SG2 mSATA 3Gbps Solid state drive for storage and RAM memory of 4GB DDR3, which runs at 1333 MHz The Toshiba Portege Z835-P330 offers an impressive battery life of about 8.28 hours, which could be sufficient time to use on the go.
