A great place for adventure and enjoyment of natural beauty is Nepal. Nepal Tours takes you through Himalayan highlights, where this beautifully, prominent tourist destination is located. Known as a colorful nation, the glory of Nepal lies in the adventure, nature and culture that the country offers. The landscape is dominated by mountains, valleys, mid-hills and lakes. A host of rivers flow from Nepal, all the way through Tibet, meeting the Ganges. Nepal Tours is a convenient venture owing to its proximity towards India.

Cultural Expedition

A wide range of racial and ethnic groups hail from this country, such as, Brahmans, Tamangs, Gurungs, Newars etc. The diversity of its people and region give rise to different languages and dialects. Nepal Holidays reveal how, art, culture and religion are a part and parcel of Nepal's inhabitants. Unique cultural groups like Yadavs, Tharu, Ahir and others reside here.

A splendid sight of Nepal's culture is seen in its architectural structures. Nepal tours take you to the country's lively capital, Kathmandu. Here you come across Hindu temples, Buddhist sites and monasteries. Indian style temples, Kasthamandap, the monkey temple and a temple complex, located right in the middle of the city are some of the interesting things to see. The Golden Gate is one of the most richly carved gates, resembling deities and monsters. Visiting mountains and religious shrines help you understand the complexities of Nepalese culture. Nepal holidays are an adventure through Kathmandu, Pokhara and Nagarkot, each having its own beauty.

Wildlife and Trekking

One of the places worth visiting in Nepal is the Chitwan National Park. It is one of the most well-preserved areas. This huge and beautiful conservation area is home to endangered species of the one - horned Indian rhino, gharial crocodile, sloth bear, barking deer and many other animals. Elephant and jeep safaris are a regular feature in the park.

Walking safaris, canoeing trips, boat trips and jungle treks are some of the other exciting things to do. Trek lovers can discover grand wildlife, and engage in bird watching too. Trekking is a big attraction here, so tourists get on to some form of trek or the other. This part of the adventure gives a good understanding of the people and their culture. Trekking in the peak season gives the best view of mountains as the air is pristine and the skies are blue and clear.

If you plan a trip to the Chitwan National Park Nepal, you will encounter a variety of wildlife, and adventurous things to see and do.
