Different Kinds of Limo Services by [Christina Kevin](#)

Article published on June 19th 2012 | [Travel](#)

Limousines are the most luxury of all vehicles. They have been a symbol of wealth and status since many years. The people who are status and class conscious usually hire limousine vehicles for attending their special events or to impress others. The limousines are special vehicles created for ultimate luxury and comfort. They offer unparalleled amenities which cannot be compared to any ordinary car. People all around the world hire limo services to travel with style. They are the most expensive cars therefore cost a lot even if hired for a day or a few hours. The limousines have always been a choice of corporate class people or those who are status conscious. There are a large number of companies around the world offering special event limousine services to their customers. They offer chauffeur driven limousines on per hour or per day rates.

Some rich people also hire chauffeured limousines for their family trips and outings. The limo hire companies offer special packages for all kinds of popular events and occasions which include night on the town tours, promenade parties, wedding ceremonies, corporate transfers, business meetings & conferences on the go, road shows, airport transfers, sporting events and many more events. Businessmen also hire limousines for their professional meetings in order to impress their clients or business counterparts. The best thing about limousines is that they contain all the features and amenities which are absolutely incomparable. There is a large number of transportation firms that offer discounted limo hire services for budget concerned on per hour rates.

Sedan Reservations

Sedan reservations are usually done by those who are budget oriented. Sedan limousines are the cheapest and most economical limousine vehicles. These vehicles can fit anyone's budget. They are usually made for couples or a maximum of three passengers. These limos are hired on special events with top of the list wedding ceremonies. The most popular of all sedan limousines are the Mercedes Benz S Class, BMW 7 Series and Lincoln Town Car L Series. These limousines offer superior class amenities which include plush interior, comfortable leather seats, roomy interior, large room for rear seat passengers, rear temperature control, extra leg room, CD/DVD player, satellite radio, power lamps for reading, fold down desk for writing and holding laptop, Hi-fi audio system and a lot more.

SUV Reservation

SUV (sport utility vehicle) are the limousines used for various events where a small group of people needs to be transferred from one place to another with style and class. They have a comfortable seating capacity of up to 8 passengers. People usually hire SUVs for adventure tours and long distant transfers because of their height of comfort and power. The most popular of SUVs include Chevy Suburban, GMC Yukon XL and Cadillac Escalade.

Coach Reservations

At places where high class limousine transfer service is required for a large group of people, the sedans, SUVs and other vehicles such as vans fail to work, people usually hire limousine coaches. They are the largest type of limos which can easily accommodate from 24 up to 48 passengers easily. The most popular of limousines buses/coaches include Mini Buses and Full Buses.
