Article published on August 7th 2012 | [Travel](#)

BAP Limited which is the most popular and oldest airport car parking firm of United Kingdom has announced special discounts on all kinds of meet and greet parking services at the London Gatwick Airport. The company has announced special discounted packages meeting the needs of different types of passengers including solo travelers, business class, corporate class or just about all kinds of people. The announcement of special discount offers on Gatwick airport parking for meet and greet service was made in a local newspaper.

“We aim to further enhance our services by introducing new packages suiting all kinds of budgets and travel requirements” said the CEO of Britannia Airport Parking Limited while speaking to a group of reporters at a trade event in London ExCel exhibition center. The company has been providing comprehensive airport parking solutions at various airports across the country. Their recent promotional campaign for cheap parking Gatwick has been introduced specifically for London Gatwick Airport in order to meet the emerging needs of parking at Gatwick. Due to the recent increase of traffic at the Gatwick airport, it has become very tough for the passengers to locate an empty parking space at airport.

BAP Limited has been providing superior class services to their customers for many years. The company is owned and operated by the British management and has a high ranking among the airport parking companies of United Kingdom. They have been providing cheap valet parking Gatwick since long and now have introduced meet and greet parking service which is sure to get the attention of public. This news of the special discounts offered by the company has spread like wildfire among the residents of London especially the frequent travelers who will no longer need to worry about their car being parked for as long as they return at the London’s second busiest Gatwick airport.
