It's a known fact that nobody likes to do much vary with taste, every body on this earth is food addicted. Some except this some don't. But end of the day every body wants to have the food of there taste.

Food which don't have fix definition and has varied forms and appearance. We love the food specially made by the efforts and we enjoy the food most of the time made by others. As no body want to do tedious efforts of making food with much care. So to best place to have a food of our choice without our efforts is "Restaurant". So below is the list of some fantastic restaurants were you can fill your tummy with pleasure.

Starting from Haldiram restaurant which does not need any introduction and is famous in all Delhi and Noida. The food served is really ultra delicious and the staff is also good. We get all kind of food from all over India and western to. The fix thali is also good but some what expensive.

Next comes the Saffron restaurant in Vadodra , this restaurant is famous due to its barbecues and starters but we find more interesting when we eat the unlimited package food. The tasty food is so mouth watering that it tells us to have more and more.

In the list next comes the Sagar Ratna restaurant in Chandigarh, this restaurant brings south Indian taste to north India. It is such a wonderful restaurant and really good place to eat different from regular routine.

Now comes the Havmore restaurant situated all over Gujarat and many branches. This is a fast food type but serves traditional food with traditional taste. The jumbo Sandwich is fantastic. But more mouth watering is the Chole bhature with north Indian taste.
