Fascinating Experiences with Tucan Travel by Tracy Narvaez

Article published on July 28th 2012 | Travel

For almost 25 years, Tucan travel as been providing incredible adventure trips to breathtaking destinations around the world. They are an award winning company that prides themselves on excellent service and keeping customers satisfied. There are numerous options available so there is always something that is guaranteed to be the perfect choice.

Vacation packages of all sorts are available for individuals as well as groups. They also provide stimulating Expedition Cruises for those seeking adventure. There are over 470 different choices of all types and to various amazing destinations from which to pick. Locations include Europe, Asia, Russia, Latin America, the Middle East and multiple locations on the African continent. They even offer a most exotic excursion to the mystical land of Antarctica.

All of the trips offered are designed to give clients incredible holiday experiences of impressive quality but all at a rate that is very affordable. The company tends to cater to those on a budget because they firmly believe that everyone deserves to live an adventure. There is an exciting journey awaiting the first timer, just as there is for seasoned traveler. With discounts offered for things like early booking, groups larger than 3, scheduling more than one tour and for being a loyal repeat customer, the fun gets even more economical.

This company has worked hard to build a sound reputation as a safe and reliable agency, and to instill confidence in all of their clients. This is definitely not a fly-by-night operation. Since 1987 they have been independently owned and operated by one partnership. They have taken great care to build this stable foundation. They are also members of top social networking sites.

Travelers need not worry about whether or not booking with this company is safe because their investments are financially protected by ATOL, TCF Australia and AITO Trust. The agency takes pride in the fact that 95% of all their adventures are directly operated and maintained by one of their talented staff members. Taking charge of everything from beginning allows issues to be resolved quickly.

There is no shortage of talent on the staff at this company. Every member has a vast store of travel expertise from which to draw and ensure that they are doing what is necessary to keep clients happy, satisfied and enjoying the most amazing experience possible. They are friendly and knowledgeable when introducing the breathtaking landscapes, interesting cultures and people at every location.

Every vacation offered through the company is environmentally sound and socially responsible. The guides are trained to the agencies highest expectations of quality and customer satisfaction. There is no disappointment in sub-standard rentals because they have a fleet of modern expedition vehicles that are owned, maintained and operated by Tucan to ensure that guests always ride in style.

Tucan travel is ready to accommodate specialized tours by always having an extensive selection of departure dates available. Whether wishing to journey alone to a place of peaceful serenity or preferring to go with a group to an exotic location for fun and excitement, they are willing and able to provide just such a service. Clients can get the adventure of a lifetime at a cost that will allow them to come back and repeat the thrill all over again.
