Article published on January 16th 2012 | Travel

For people across the country, the winter blues are in full swing. From the icy cold temperatures to grey, colorless scenery, winter is often a miserable and bleak several months. One of the best, most beautiful places to escape the winter blahs is on the beaches of sunny Miami, Florida. Here, vacationers can escape the dreary, bitter weather and enjoy sand, sun and surf.

Winter is one of the best times to visit Miami. With sunny, warm temperatures and low rainfall, visitors can enjoy all that Miami has to offer outside of the summer and hurricane seasons.

Take in the Sights

Spend your days soaking up the sun, seeing the sights on Miamiâ€™s famous Ocean Drive, or shopping along Collins Avenue. Ride bikes along the boardwalk, take a swim in the clear, blue waters of the Atlantic Ocean, or go sailing on Biscayne Bay. And when the sun sets, itâ€™s time to embrace Miami nightlife. Enjoy a few drinks and sample local Cuban cuisine for dinner, then dance the night away at any number of trendy Miami clubs.

Visit During Celebrations

Miami in wintertime is also known for its celebration of the arts. Explore the Miami Beach Festival of the Arts in North Beach and the Coconut Grove Arts Festival. Here you can check out works of art from over 300 artists and take in local music, theater, and culinary treats.

For the ultimate in relaxation, choose a Miami hotel with an oceanfront spa. Relieve your stress with a workout in the fitness center, and relax, recharge and rejuvenate your senses with a first-class treatment at a European Spa and Salon. Treat yourself to an Oceanside cabana and pool massage, a full contouring body wrap, or an aromatherapy wrap. Give yourself time to detoxify and clear your mind in a steam room, and get ready for an evening out with beauty treatments and makeup applications in the salon. No matter what services you choose, a day at the spa can truly allow you to relax and reinvent yourself on your Miami winter getaway.

Miami resorts offer amenities and accommodations that allow you truly relax, unwind, and enjoy the beaches of Miami in a truly luxurious atmosphere. Enjoy spacious rooms combining both style and comfort with views of the waves and white sand of Sunny Isles Beach.
