There is large variety of parks in Marbella by [Clarke Watson](#)

Article published on January 13th 2012 | [Travel](#)

When people have nothing to do then the best thing to do is to visit a park. Parks are nourishment for health because they have plants and natural atmosphere. People enjoy in the parks as time passes happily there. For many people evening is the best time for spending in the park as they regularly does that. That keeps them healthy, fresh and energetic no matter how old they turn.

There are historical parks, amusement parks, royal parks, entertainment parks and many other kinds of parks in big cities. We should always have the list of important parks whenever we wish to visit a particular city. Visiting a city and leaving its parks without paying them a visit can give regrets to people. So it is better not to commit such kind of mistake especially when itâ€™s about the parks of Marbella.

Marbella is a wonderful city of Spain having some of the worldâ€™s finest parks in it. They are lovely for spending times and they are unique in many aspects. One of the best parks in the Spanish city of Marbella is Nagueles Park. This park is awesome because it has a wonderful location at the foothills of Sierra Blanca. This is a natural park and a place for spending some memorable times in the city.

The most imposing domes of the church with extravagant works of ceramic tiles and a lavish interior are the main features of this historic church. The area around the church is filled with parks which add to the aesthetic beauty of the church.

One of the largest parks in the city is Parque de la Constitucion. This park was basically a residential garden which later turned out into a park. It is mostly used for entertainment purposes such as concerts, plays and events are frequently arranged in it. A great public park in Marbella is La Alameda because itâ€™s used by many people for different purposes. Some people meet there daily, some enjoy the atmosphere and some prefer to go for horse riding from this park.

King Fahad Gardens in Marbella are wonderful because they are having royal appearance as they belong to Saudi King. There is a large lake in the Parque de las Medranas which is another delightful park of Marbella. Some people prefer to go to this park for practicing the art of waterskiing. One of the biggest delights in the city is the park named as El Calvario. That park was designed by an architect named as Miguel Angel Vico. The park has a landscape theme which can be seen in the Bonsai Museum as well which is located near the park.
