Visit Cabo Rojo Puerto Rico by [Azel Bailey](#)

Article published on May 7th 2012 | [Travel](#)

If you have Puerto Rico on your mind, constantly recurring in your mental space as the place to be and the destination to let your hair down and cut loose from your shackles, you should definitely visit Cabo Rojo Puerto Rico. Meaning "Red Cape" in Spanish, in Cabo Rojo you can witness the reddish tint lining all over the cape, and found more prominently along the cliffs that line the southern coast of the island. If you are in the mood for some discovery, you might want to visit Cabo Rojo, Puerto Rico to have a feel of what this great place has to offer through its numerous beaches and its many tourist attractions.

In terms of attractions that a visit to Cabo Rojo would have to offer, you could count on the beaches, the cliffs, the nightlife and the clubs as sure shot tourist attractions that would keep you entertained enough. When you visit Cabo Rojo Puerto Rico, you can feel the warmth, hospitality and enjoy the amazing scenery. A visit to El Faro Los Morrillos, the charming landmark and 19th century lighthouse located in the imposing limestone cliffs, would affirm that there is nothing as beautiful as nature itself.

You might also want to experience the charms of Isla de Mona, the island that lies west off the shores of Cabo Rojo Puerto Rico, known especially for the scuba diving experiences that provides the opportunity to have your tryst with turtles, nurse sharks and coral reefs in close quarters in the private space under waters. When you visit Cabo Rojo Puerto Rico, you would also want to see what the other places of natural beauty have to offer, such as the sunshine of Isla de Ratones, the island destination known for its shallow waters all around and the Boquer n Bay beach with long stretches of golden sea sands and sea shells. And you would have only started off with your exploration of the region.
