5 Star Hotels in Amritsar by Veronika Smith

Article published on August 4th 2012 | Travel Tips

Amritsar is a place in the state of Punjab which is famous for The Golden Temple. Not only in different parts of India but across the world, is the place known for its scenic beauty. Apart from Golden Temple and many other ancient attractions like Jalianwala Bagh, Wagah Border is quite famous tourist spots. Every year Lakhs and Lakhs of people visit Amritsar to visit Harmindar Sahib or the Golden Temple as it is known commonly and also to enjoy other attractions of Amritsar. Jalianwala Bagh is the place which has ancient origin and is related to the Indian heritage, the place still has the bullet marks in the walls; lamp which is lighted in the memory of martyrs is still glowing. The lamp is also known as Amar Jawan Jyoti. People gather for the famous parade and cultural function which takes place every day at the Wagah Border (India-Pakistan Border). Thus we can say that with the presence of so many places of attraction presence of Hotels is mandatory and the hotel business is one such business which is ever expanding in the city.

Talking of the 5 star Hotels in Amritsar we see that the city has some of the classic, decent and highly modern hotels to suit your need. The elite and exotic hotels for business class travellers and foreign tourists are in plenty within the vicinity of the city.

As already see Amritsar is known for its rich national heritage related to the days of independence, it is quite obvious that large number of tourists will be attracted to the place every year. Thus an exponential rise in the demand for the 5 star hotels in Amritsar was witnessed recently. People visiting the world famous Golden Temple has been increasing continuously every year thus compelling hotels to increase on their capacity and improve on their facility. The 5 star hotels in Amritsar provide you with world class facilities and include all the basic facilities required for comfortable stay. The rooms are equipped with materials such as linen, towel, toiletries etc. Apart from this the hotels also provide you with other services such as 24x7 cold and hot water, electricity, cable, laundry service, intercom, transport, healthcare facilities and many more. Hotel staffs are well groomed and are properly trained so that no visitor ever faces any problem and get the best facility and stay at the hotel. The hotels also have other exotic facilities like Banquet halls, clubs, swimming pool, gym, and many other indoor games and recreational place so that you can relax and enjoy your vacation at ease.

It is needless to say by now that Amritsar has some of the best 5 star hotels which provide its customers with every kind of facility desired by them. Also the hotel believes in customer satisfaction and services the most and in order to maintain so in future they never forget to take the feedback from the customers so as to improve on their service.
