Article published on June 27th 2012 | Travel Tips

Make My Trip is among the well established online travel companies in India. Make My Trip is the market leader in online travel sales. It has wide portfolio of products which include flights, hotels, flight+ hotels, domestic tour packages, international tour packages, bus tickets, train tickets, car rentals etc. Make My Trip also arranges seminars and conferences for business travellers. Being a online travel portal which has huge volume of bookings every day, it has tie ups with different service providers (hotels, bus operators etc) and is able to negotiate good price and pass the benefit to its customers.

Make My Trip has both domestic and international tour packages. Over last few years, international tours have become more affordable. This has resulted in many people opting for international tour packages. You can either custom design your tour or choose among the different options available. If you have particular location in mind, you can start searching from the search engine. You can choose your home city and place where you want to travel. All packages to that chosen location will be shown. You can check the different details by selecting any of the international tour packages. You will be shown inclusions such as round trip economy fare, airport taxes, visa charges, travel insurance etc. You can also see the itinerary from the first day of the trip to the last day. You can check the hotel details as well including the different services available with hotel like dining, internet, room amenities etc. You can also read on the destination details. You can check rates as well for room sharing like double occupancy, single occupancy etc. You can also see the different departure dates for a particular tour.

There are also different packages for different locations. Many a times there are promotional schemes. Make My Trip has many promotional schemes running at most of times. There are many countries which rely on tourism and international tour packages to such countries are very economical. Some of popular destinations which are affordable as well include Singapore, Dubai, Thailand, Macau, Bangkok and Pattaya, Maldives, Mauritius etc. Many of these countries waive off visa fees, reduce airfare during off season to promote tourism. Make My Trip has many best seller international tour packages which you can choose from. These packages are very affordable and there is no compromise on quality.
