Article published on December 31st 2011 | Vacations

If you are pissed off with your hectic lifeshedule and looking for overseas vacations then look no further than Maldives, an exotic tourism destination of southern Asia drawing the attention of many from every nook and corner of the world. With its awesome tropical scenery and soothing climatic conditions, it is an ultimate gateway for those who like sun, sand and sea. Nature has unleashed blessed its all splendor to this place to make it finest place in the world. Being a small island in the island ocean, it is gifted with such amazing and unfathomable attractions whose significance can not be described in any human and verbal language. Whatever your cup of tea, it perfectly knows how to make in Maldives.

Whether planning for ideal vacations, honeymoon or whether wish to experience several beach and sports activities, there wouldnâ€™t be any better option than Maldives, truly a paradise. Refreshing hills, tropical green forests, palm-fringed beaches and amazing range of floras and faunas are the few attractions that give Maldives tourism a global recognition and persuade tourists from across the world to visit there all the year round. Besides, there are many other things that also worth to experience such as its cultural people, fascinating culture, mouth-watering cuisine and excellent hotels and accommodations.

Being a small island there is no dearth of attractions in Maldives but most of the tourists visit this place only to explore its amazing beaches which are extremely beautiful. With its pristine crystal clear water and the unspoilt natural beauty, Maldives beaches invites thousands and thousands tourists to enjoy their vacations in the perfect setting of nature. No wonder that credit of its popularity goes to its amazing beaches which really have not any substitute in the world. The environment around the beaches is honestly heavenly in nature, where tourists can relish memorable vacation staying in the cradle of the nature, away from the hustle and bustle of the city life. Apart from viewing its natural beauty, tourists can enjoy various adventurous and fun-filled water sports like snorkeling, swimming, diving, water-scooting, boating and many more.

Apart from the best part of this place is its islands give a wonderful opportunity to the nature-lovers. If you are looking for pristine Tropical Island with swaying palm trees and pure white-beaches encircled by crystal lagoons of varying shades of blue, then islands of Maldives would be best for you. Maldives is actually a group of 1200 islands, though only 200 of the islands are inhabited speckled with swaying palms, white sandy beaches and deep blue lagoons. All the beaches are beautiful and having their distinctive features draws the attention of many from every nook and corner of the world. Kuredu Island, Vakarufalhi Island, Komandoo Island and etc are the few famous islands.

Besides beaches and islands, there are many other attractions that can be explored during holidaying in Maldives named as Grand Friday Mosque, National Museum, Mulee Aage Palace, Esjehi Art Gallery and etc. if you have decided to visit this country and looking for exclusive holiday packages then you can contact with Maldives tour operators which will certainly assist you.
